

Research Rating and Distribution Policy

Recommendation Terminology

- Red Cloud Securities Inc. recommendation terminology is as follows:
- BUY – expected to outperform its peer group
- HOLD – expected to perform with its peer group
- SELL – expected to underperform its peer group
- Tender – clients are advised to tender their shares to a takeover bid
- Not Rated or NA – currently restricted from publishing, or we do not yet have a rating
- Under Review – our rating and target are under review pending, prior estimates and rating should be disregarded.

Companies with BUY, HOLD or SELL recommendations may not have target prices associated with a recommendation. Recommendations without a target price are more speculative in nature and may be followed by “(S)” or “(Speculative)” to reflect the higher degree of risk associated with the company. Additionally, our target prices are set based on a 12-month investment horizon.
